Our goal is to raise \$50,000!

Fund in the Sun is a Luau-themed fundraising event uniting community leaders, businesses, and individual supporters for an afternoon of celebration and impact.

Through this event, BLISS Care Foundation raises critical funds to deliver free, hands-on in-home support, essential supplies, and meaningful connection to low-income older adults living in mobile home parks and subsidized housing. Your support goes beyond visibility. It helps restore dignity, reduce isolation, and ensure seniors can continue living safely and independently in the place they call home.

We invite you to stand with us as a sponsor and be part of something truly meaningful. Your contributions are greatly appreciated and are tax-deductible (EIN: 88-3659500) to the extent allowed by law.

Help us reach our \$50,000 goal and ensure that no senior is left without the care and dignity they deserve.
